foxxboxx®
COLD NEBULISER
ROOM DISINFECTION

Highly effective against Viruses, bacteria, mould and germs.

foxxboxx® cold nebuliser with henndrixx® disinfectant.

The ultra-fine dry fog nozzles of the foxxboxx® cold nebuliser produce the finest, non-wetting dry fog. The mist penetrates into the smallest cracks and disinfects the room air and objects very effectively without leaving any wet residue.

The henndrixx® dry mist is pH-neutral, gentle on the skin and completely free of incompatible additives.
