

# EC-Declaration of conformity

The manufacturer: easymetal GmbH  
Resselstrasse 12  
A-2120 Wolkersdorf  
AUSTRIA

hereby declares that the following product family

**Product:** EASYRO® Reverse Osmosis water treatment system  
**Type:** 60/120/240/480/150/300/600

complies with all relevant provisions of the directives listed below.

## **Ecodesign 2009/125/EC**

The electrical appliance complies with Directive 2009/125/EC of the European Parliament and of the Council of 21 October 2009 on the harmonisation of the laws of the Member States relating to common ecodesign requirements for energy-related products.

## **Voltage limits 2014/35/EU**

The electrical appliance complies with Directive 2014/35/EU of the European Parliament and of the Council of 26 February 2014 on the harmonisation of the laws of the Member States relating to electrical equipment designed for use within certain voltage limits.

## **Electromagnetic compatibility 2014/30/EU**

The electrical appliance complies with 2014/30/EU of the European Parliament and of the Council of 15 December 2004 on the approximation of the laws of the Member States relating to electromagnetic compatibility.

## **Hazardous substances in electrical and electronic equipment 2011/65/EU**

The electrical equipment complies with Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

## **Waste electrical and electronic equipment 2012/19/EU**

The product is designed and built in conformity with the directives of 2012/19/EU of the European Parliament and of the Council of 4 July 2012 on waste electrical and electronic equipment (WEEE).
